UP STATE

CAREERS IN CODE

Student Demographic Information
Cohort 3 (Spring 2022)
careersincode.org

Hack Upstate's mission is to
Advance Upstate New York's
Technology Community.

Careers in Code.

- We provide students fighting poverty with the technical skills they need to **obtain internships and entry level software development jobs** with local and remote employers after 24 weeks of instruction.
- We help grow the **regional software engineering talent pool**.

About This Report

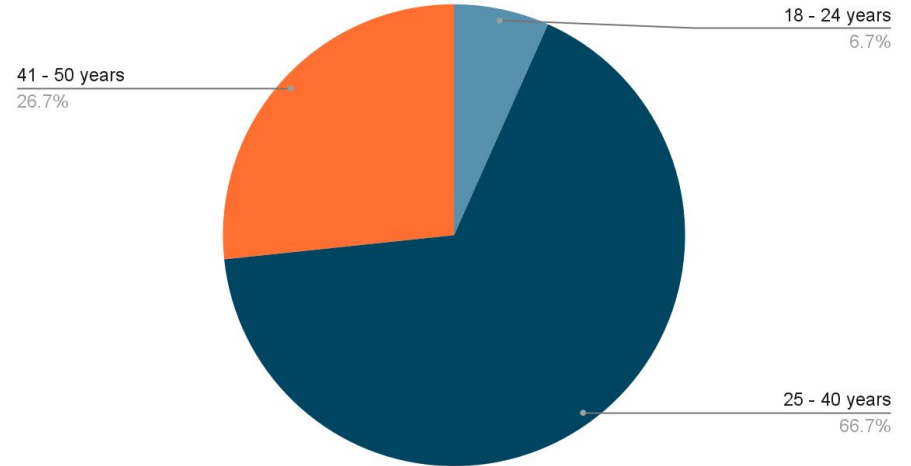

This report includes data regarding 15 students who have been admitted into our third cohort of Careers in Code. The demographic data we've collected and aggregated from our students includes:

- Age
- Gender
- Race
- Residing City
- Employment Status
- Enrollment Option
- Household Income/Info
- Highest Level of Education
- Coding Experience
